

The Tigers Boys' Basketball Program is seeking Tiger Club sponsorships to help cover operating expenses such as travel, insurance, referees, and uniforms. Our sponsorships from local businesses provide young students an opportunity to participate on a team, build character, improve their confidence and better their lives. Monetary donations are the most common, but event sponsors (spirit night, tournaments) and donations of meals, services and equipment are appreciated. Without companies and people like you we would not be able to reach our goals.

Advertising Benefits - Grissom Basketball provides businesses with access to a wide demographic of existing and new customers through various advertising mediums associated with the program including sponsorship banners, scrolling digital ads on the Tiger Gymnasium Jumbotron and Digital Scoring Table, recognition on the Grissom Tiger Basketball web and social media sites and public address announcements. The available Sponsorship levels and specific benefits are defined on the accompanying flyer.
